This Month's meeting: Tuesday, **February 21st** at the Dewitt Memorial Building, 206 W Washington, Dewitt

Chips and Splinters

This month's meeting will cover the high volume low pressure spray system. This will be a great opportunity to learn more about HVLP and its advantages. We have members bringing their systems. If you own a HVLP system please bring it in.

Due to scheduling conflicts the Dave Marks program has been rescheduled for April 2013. We will keep you posted as the information becomes available.

A couple of repeat items...

Reminder: If you haven't done so, please pay your 2012 membership dues. If you can't make it to Tuesday's meeting, please mail to Terry Kirk 504 East Geneva, Dewitt, 48820. Dues remain the same.... \$25 for a single, and \$30 for a family membership.

On February 28th Johnson's Lumber in Charlotte will be hosting a Sorby Event. There will be two demonstrations . 1:00 to 4:00pm and 5:00 to 8:00pm.

As I mentioned last meeting, due to the popularity of the 2" x 4" contest, we are going have another contest with a few variations. We will be using 4 board feet of hardwood lumber. Members will pay a \$5.00 entry fee which includes the lumber which will be available at Tuesday's meeting. The contest will run until the May's meeting, at which time we will again have a popular vote to determine the winner.

Regarding the "Greater Good Award" program which we started last year....we are looking for suggestions for a recipient for this year's Greater Good Award. If you know someone you would like to nominate please contact one of the board members.
